ICSTA'22
JULY 28 - 30, 2022 | PRAGUE , CZECH REPUBLIC

The International Conference of Statistics: Theory and Applications (ICSTA'22) aims to become the leading annual conference in fields related to Statistics: Theory and Applications.

The goal of ICSTA'22 is to gather scholars from all over the world to present advances in each of the specialized fields and to foster an environment conducive to exchanging ideas and information. This conference will also provide an ideal environment to develop new collaborations and meet experts on the fundamentals, applications, and products of the mentioned fields. Interested authors, researchers, and industrial experts are invited to register for the conference that best resonates with their technical background. At the same time, attendees are permitted, and even encouraged, to attend talks from co-located conferences.

Final Extended Paper Submission Deadline: MAY 20, 2022

Final Extended Early Bird Registration: JUNE 03, 2022

4th International Conference on Statistics:
Theory and Applications (ICSTA'22)

SUBMISSIONS

Submissions in the form of extended abstracts, short papers, and full manuscripts are welcome.

All accepted and presented papers will be published in the conference proceedings, under an ISBN reference in a USB drive. The online version of the proceedings will also be published under an ISSN reference and each paper in the proceedings will be assigned unique DOIs by CrossRef and indexed in Google Scolar.
